

Witch Hunt

Slaves

Second chances matter
When you had your first
So I try to change it
But it makes it worse
Don't you know we're heading for another break
Before you let it burn remember what's at stake

I was hoping we could let the dust settle
Till you started looking for a mark from the devil

So it's a witch hunt that you want
Won't be happy till I'm face down in the mud
And it's funny cause you're madder than hell
Like you can't tell
I'm the one who's under your spell

I don't like to think of what I wouldn't do
To stay the one who's waking up with you
I'd tell a million lies and let my pride fall down
Then try to build myself back up when you're not around

So it's a witch hunt that you want
Won't be happy till I'm face down in the mud
And it's funny cause you're madder than hell
Like you can't tell
I'm the one who's under your spell

So it's a witch hunt that you want
So it's a witch hunt that you want
So it's a witch hunt that you want
But I'm the one who's under your spell

So it's a witch hunt that you want
Won't be happy till I'm face down in the mud
And it's funny cause you're madder than hell
Like you can't tell
I'm the one who's under your spell

So it's a witch hunt that you want
So it's a witch hunt that you want
So it's a witch hunt that you want
But I'm the one who's under your spell
