

Wow!!! 7AM

Slaves

Wow! Wow, wow, wow!

I don't remember
The last time I saw 7AM
I don't remember
The last time I saw 7AM

Wow!
Wow!!!7AM
Wow!
Wow!!!7AM

The sun keeps hiding
And rain falls down onto the city of hate
The doors are sliding
Oh, it's no wonder we're not feeling too great

Wow!
Wow!!!7AM
Wow!
Wow!!!7AM

Keep it turning

Keep it turning

But the cuts aren't healing
Your eyes are swollen and your hair is so thin
Gotta keep on breathing
Pay less attention to the pain that you're in (try)

Wow!
Wow!!!7AM
Wow!
Wow!!!7AM

Your poor old father
Working hard to keep working hard to keep working hard
What would you rather?
Have less money
Or be tainted and scarred by it all?
Well?
