(C-A-N-D-Y)
S-L-A-Y
Uh! Yeah...
Mmm! Yeah...
Ow!

It's gettin' late at night and you know just what I like
Want you to take it downtown, baby, can you blow my mind?
It's that something that you do before you go inside
Before you go inside – ow!

Want you to give attention right where I am craving it
Boy, can you feel the tension? Don't think I can handle this
Want you to taste it, cause it's tasty, baby, make it drip
I'm gonna scream your name 'till all your neighbors hear it
Oh, yeah
My pussy tastes sweet like candy
Mmm, yeah

Candy (yeah)
It tastes sweet like candy (yeah)
I love it when it gets so handsy (yeah)
It tastes sweet like candy (yeah)
Candy

C-A-N-D-Y
Boy, can you eat me right?
C-A-N-D-Y
Boy, can you eat me right?

When you start eatin', got me breathing heavy, don't stop
Boy keep it goin', keep me moanin', 'till my cherry pops
All these positions, so delicious, when I get on top
Top – ow!

Candy (yeah)
It tastes sweet like candy (yeah)
I love it when it gets so handsy (yeah)
It tastes sweet like candy (yeah)
Candy

I taste like candy, sugar and cherry
Boy, if you want me, come get above me
I taste like candy, sugar and cherry
Boy, if you want me, come get above me
(I taste sweet like) Candy
