Slayyyter

S-L-A (S-L-A)
Y-Y-Y (Y-Y-Y)
T-E-R (T-E-R)
Yeah, y-y-yeah
Slayyyter

I just wanna lay in bed
Kiss you on the neck
Baby, lay your head down on me
We could do some drugs again (yeah)

I'm feeling addicted, like I cannot quit this
I wanna be with you a-a-all the time
Right when we finish I'm feeling electric
I wish you would hit this and say you're mine

I got a lot of shit to ask you
Boy you got me losin' my mind
You know I wish that I could have you
Got me feelin' like I'm high
I'm high
G-g-got me feelin'
So high
I'm high

B-b-b-baby you're my favorite pill (oh)
Are you lookin' for a thrill? (yeah)
I was hopin' we can chill all night long
I'll show you some of my skills

I'm feeling addicted, like I cannot quit this
I wanna be with you a-a-all the time
Right when we finish I'm feeling electric
I wish you would hit this and say you're mine

I got a lot of shit to ask you
Boy you got me losin' my mind
You know I wish that I could have you
Got me feelin' like I'm high
I'm high
G-g-got me feelin'
So high
I'm high
Got me feelin' like I'm high
I'm high
G-g-got me feelin'
So high
I'm high

Baby you're my favorite pill

Got me feelin' like I'm high (yeah)
