

Mine

Slayyyter

I fell in love
First date, but boy you know it's not enough
And you talkin' to me, boy, like you wanted something
Well, baby, come and- come and get you some

Just hit me on your celly when you're ready
And he tell his friends he want me
Boy, you know I'm tempted, you know I'm tempted
Let me give you this attention
And you know, boy, I got somethin' special out of these women
Oh, you can get it

Oh me, oh my, oh me, oh my
Oh yeah, I wanna make you mine
Oh me, oh my, oh me, oh my
Yeah, I wanna make you mine
Oh me, oh whoa, oh, oh me, oh whoa
Yeah yeah, oh me, oh my
Oh me, oh whoa, oh, oh me, oh whoa
Yeah yeah, oh me, oh my

Out of the club
I didn't know your name, boy
I fell in love
First kiss, your lips drove me insane, boy

Just hit me on your celly when you're ready
And he tell his friends he want me
Boy, you know I'm tempted, you know I'm tempted
Let me give you this attention
Oh, what you doin' to me?
Oh, you can get it

Oh me, oh my, oh me, oh my
Oh yeah, I wanna make you mine
Oh me, oh my, oh me, oh my
Yeah, I wanna make you mine
Oh me, oh whoa, oh, oh me, oh whoa
Oh me, oh my
Oh me, oh whoa, oh, oh me, oh whoa
Baby, oh me, oh my

Oh me, oh my, oh me, oh my
Oh yeah, I wanna make you mine
Oh me, oh my, oh me, oh my
Yeah, I wanna make you mine
Oh me, oh whoa, oh, oh me, oh whoa
Oh me, oh my
Oh me, oh whoa, oh, oh me, oh whoa
Yeah, oh me, oh my
