

## No Comma

Slayyyter

I don't need you, I don't need that shit  
Hurt my brain, giving off that ick  
If you want fame, better make it stick  
Better go quick if you wanna get rich  
Better post pics, get a good shtick  
If you wanna slide, better lay it on thick  
Pull a new card baby take your pick  
If you wanna get picked then you better suck dick

They want a piece of me, uh, nuh-nuh-uh  
They don't agree with it ah-a-a-ah  
You don't know me, no you don't  
Ask the kids in the club 'bout me, bitch, they love it

Sha-shake it, shake it, if you wanna  
Drink that holy water  
That bitch is my daughter  
Full stop, no comma  
Shake it, shake it, if you wanna  
Smoke that marijuana  
Kill that motherfucker  
Full stop, no comma  
Full stop, no comma

Eyeliner a mess (A mess)  
Pink glitter on my chest (My chest)  
Dear God, I must confess  
My pussy hit the best  
In a tight sequin dress  
Gel pressed on my lips  
You still copy my hits  
Finally bought my brand-new tits

I never stole shit, I never kissed ass, but I get talked around from day one  
These label men look at me like I'm a prostitute 'cause I fuck  
Only got paid for sex, like, once  
Maybe three times but, girl, it was fun  
I'm throatzilla, bitch, so they run  
Pink Swarovski on my gun

Sha-shake it, shake it, if you wanna  
Drink that holy water  
That bitch is my daughter  
Full stop, no comma  
Sha-shake it, shake it, if you wanna  
Smoke that marijuana  
Kill that motherfucker  
Full stop, no comma  
(Comma, comma, comma, comma)  
(Comma, comma, comma, comma)  
Full stop, no comma

Something just shifted, my nails look wicked  
I put that dick in, fuck like I'm gifted (Full stop, no comma)  
In Jesus' name, I am addicted  
Blowin' \*\*\*\*  
Sometimes they're bitches (Yeah)

Sha-shake it, shake it, if you wanna  
Drink that holy water  
That bitch is my daughter  
Sha-shake it, shake it, if you wanna  
Smoke that marijuana  
Kill that motherfucker  
Sha-shake it, shake it, if you wanna  
Drink that holy water  
That bitch is my daughter  
Sha-shake it, shake it, if you wanna  
Smoke that marijuana (Hey)  
Kill that motherfucker
