

Platform Shoes

Slayyyter

I love you so much
The way that you fit me right
Wear you out every night
Want you to hold me tight
Baby don't touch
Driving me off the wall
Got me like 10 feet tall
Hoping that I don't fall

I wanna go out tonight
Fucked up with you, under the lights
Baby, just hold me tight (hold me tight)
You make me feel like I'm Baby Spice

I wanna dance with you, yeah
In my platform shoes, yeah

In my platform shoes, yeah [x4]

I love you so much
Baby I feel so cool
Rockin' my YRU's
Do you wanna be a club kid too?
Baby don't touch
Love me chemically
Feels like ecstasy, when you go down on me

I wanna dance with you, yeah
In my platform shoes, yeah

In my platform shoes, yeah [x4]

I wanna dance with you, yeah
In my platform shoes, yeah
