

## Sweet 16

Slayyyter

It's Donatichi bitch  
You are invited  
To spend the night, and  
Come to my party  
Dance all up on me

Fucked up at my sweet 16  
He is like the hottest boy I have ever seen  
All my girls are up in VIP  
Doing shots, lookin' hot  
Party of my dreams  
Fucked up at my sweet 16  
He is like the hottest boy I have ever seen  
All my girls are up in VIP  
Doing shots, lookin' hot  
Party of my dreams

All the girls in line arrived with me  
Daddy bought a brand new jeep  
Speeding through the Hollywood Hills  
I'm just a super rich kid  
Lookin' for cheap thrills

It's my party, I'll get high if I want to  
Do some drugs with my boyfriend  
Get fucked up like we love to  
Everybody's asking if they can come through  
Text the address at midnight  
They're like "Slayyyter, we love you!"

Call up my girls, get my girls on the phone  
'Cause we're going to the party, yeah, we're gonna get drunk  
Been feeling out of it, I'm in my element  
Another round of shots just for the hell of it  
I'm calling up my friends, you know who you are  
Feeling elegant, I'm a superstar  
I'm a superstar  
(I'm a superstar)

Fucked up at my sweet 16  
He is like the hottest boy I have ever seen  
All my girls are up in VIP  
Doing shots, lookin' hot  
Party of my dreams

Party of my dreams (yeah)  
Party of my dreams (oh)  
Party of my... (hahaha, yeah)
