Slayyyter

He call me throatzilla, I suck a dick so killer  
Strawberry ice cream or vanilla  
Chiller, your girl sick, but I'm iller  
Yeah, yeah and my coat chinchilla

Bang on my chest like gorilla  
Chain on my neck like a dealer  
Hits on deck, no filler  
Queen of the Huns, I'm Attila

He like to call me throatzilla  
'Cause I suck a dick so killer  
Says he wants to eat me out for dinner  
He call me throatzilla  
No gag reflex, don't feel her  
Expert bitch, no beginner  
Gun to my face, pull the trigger  
Yeah, yeah, he like to call me throatzilla

Put the whole thing down my throat  
Give him good neck 'till I choke  
He's watching how far I can go  
Loves it when I get in my zone  
Take the whole thing down my throat  
Give him good neck 'till I choke  
He's watching how far I can go  
Erupts like a volcano

He call me throatzilla, I suck dick so killer  
Strawberry ice cream or vanilla  
Chiller, your girl sick, but I'm iller  
Yeah, yeah and my coat chinchilla

Bang on my chest like gorilla  
Chain on my neck like a dealer  
Hits on deck, no filler  
Queen of the Huns, I'm Attila

Said you never had neck like this  
I went straight down from the very first kiss  
Like, baby, lemme swallow them kids  
Look into my eyes while I'm rocking your shit right  
I know you wanna wife me up  
Face so pretty and my head go dumb  
Like, suck it till your legs go numb  
I know you wanna cover my face in what

King Kong, I want the banana  
Tell your friends I know they a fan of me  
Wig off like I'm Hannah Montana  
Dirty talk so good it was poetry  
He says he wanna see what this mouth do  
Hit my phone, all alone, baby come through  
I let him eat the fish like Nobu  
In his DMs, I'ma be his new go-to

He call me throatzilla, I suck dick so killer

Strawberry ice cream or vanilla  
Chiller, your girl sick but I'm iller  
Yeah, yeah, and my coat chinchilla

Bang on my chest like gorilla  
Chain on my neck like a dealer  
Hits on deck, no filler
