

## anyway, anyway

slchld

Relax, I'll be right by your side  
Relax, I'll be right by your side  
Relax, I'll be right by your

We know the ways to be a rock star in this life  
But we don't wanna 'buse it  
I like the way you move when we're high on our feelings  
I like the way you move when we're high on our feelings, oh

Well we all gon' die anyway, anyway  
If we die anyway, anyway  
We gon' lie anyway, anyway, oh-oh  
Well we all gon' die anyway, anyway  
If we die anyway, anyway  
We gon' lie anyway, anyway, oh-oh

Oh darkness, you my only friend in this life  
Oh, I'm a savage, I take all your pills at night

Well we all gone die anyway, anyway  
If we die anyway, anyway  
We gon' lie anyway, anyway, oh-oh  
Well we all gon' die anyway, anyway  
If we die anyway, anyway  
We gon' lie anyway, anyway, oh-oh  
(Anyway, anyway, oh-oh)

If you weren't a real person I'd be so sad  
I'm having these thoughts of you in my dreams, I'm high

Well we all gon' die anyway, anyway  
If we die anyway, anyway  
We gon' lie anyway, anyway, oh-oh  
Well we all gon' die anyway, anyway  
If we die anyway, anyway  
We gon' lie anyway, anyway, oh-oh  
(Anyway, anyway, oh)
