

end of summer

slchld

It's the end of summer and I feel
Don't wanna remember, but I will

Don't forget me when I leave
Don't forget me when I cry
Don't forget me
Please don't forget me

I won't let you go
Because I know for sure
That I won't be back 'til next year
And if you're not here, ooh
Heaven or hell, whatever's waitin' for me
Lonely days screaming, "Fuck this life"
Guess I still gotta do somethin'
Do you feel love? Because I feel nothin'
From the bottom of your heart, it's empty

It's the end of summer and I feel
Don't wanna remember, but I will
It's the end of summer and I feel
Don't wanna remember, but I will

Don't forget me when I leave
Don't forget me when I cry
Don't forget me (Me)
Please don't forget me
Don't forget me

You said, "Please don't forget me" (-Get me)
I said, "Who's gonna do that?" (Do that)
These words I'm saying will not make you stay, yeah-yeah, yeah
I'll wait for you anyways
Don't go thinkin' that I will change
My feelings for you, I won't
Look at anyone until next year when you're back next to my side
Lonely days forgotten 'cause you're on my mind (You was on my mind)
I won't forget you, so come to me (Me)
You may say that my heart's empty
But I can't give it all to you when you're hardly here

It's the end of summer and I feel
Don't wanna remember, but I will
It's the end of summer and I feel
Ahh
