

The bright of dawn  
I've seen the lowest of my life in an instant baby

Money over family, I thought that  
That you was committed, I won't doubt that  
Let the bridges burn, my feelings turn to evil in an instant ba  
be  
Oh yeah  
My limits, I don't see it (Yeah)  
Rather can I be on? (Yeah)  
All the greats I've dreamed of (Yeah)  
Passion kills my demons (Ooo)  
In an instant babe (Oh-oh)  
They're coming from the heavens I receipted  
They're coming from the demons I have killed and  
They're coming from the demons I have killed and  
Yeah (Oh-oh)  
Baby (Woah-oh-yeah)  
Let the bridges burn (Yeah)  
Slow down (Oh-oh)

The bright of dawn  
I've seen the lowest of my life in an instant baby (Yeah-woah)

The bright of dawn  
I've seen the lowest of my life in an instant baby  
The bright of dawn  
I've seen the lowest of my life in an instant baby (Ooo-yeah)
