I told you, everything's gonna be fine  
I just wanna see your happy face, is it alright  
So this is my Positive Vibe  
So this is my Positive Vibe

I told you, everything's gonna be fine  
I just wanna see your happy face, is it alright  
So this is my Positive Vibe  
So this is my Positive Vibe

Why don't you fly in the sky right now  
I know it doesn't make sense though  
So this is my Positive Vibe  
So this is my Positive Vibe

Let's get out of here together  
But I don't care if someone follows us  
So this is my Positive Vibe  
So this is my Positive Vibe

I really wanna say this, always  
How shall I put it, all ways  
This is in my Positive Vibe  
This is in my Positive Vibe

I really wanna say this, always  
How shall I put it, all ways  
This is in my Positive Vibe  
This is in my Positive Vibe

This is in my Positive Vibe  
This is in my Positive Vibe

Don't try me, don't try me  
I'm in a very good mood right now  
Wanna make it up to you  
So just follow me and I'll take you

To another place  
To another good one  
To another lane  
Know that you're a good girl  
Take you all the way  
Use another day for  
You and we will take

Oh baby  
I know just the place for us  
I swear I won't make it up, won't make it up  
It's not imaginary for you baby  
I just wanna take you somewhere dearly

See the positive vibe in my daily, in my daily  
You got your vibe and I know it  
You got your love for me I  
I can't wait for it no more  
I'm too impatient oh no

I told you, everything's gonna be fine  
I just wanna see your happy face, is it alright  
So this is my Positive Vibe
