

I don't want you
You make me wanna lose
If I didn't know you
No, if I were you

I know, you don't like me
You make me wanna lose
I blame to you all day
But you know I love you

I love you
You

I started losing my ways
I've gotten too weak just to hold
You might know the state that I'm in
But I hope that you don't

I hope that you won't
But I hope you don't
Forget me I know that you won't
Just a few ways from your home
I won't leave you

You
