Sleaford Mods

I left downtown in unwashed jeans
Chewin' off his ear in the plastic screen
We race by mate, I got notes
I got a high-pitched chirping throat

Five pound sixty get me by
Five pound sixty don't know why
Five pound sixty past midnight
He could've charged me twice the price

Right back at ya
Well, I heard rumors they get [?] ed up
And I heard rumors they don't give a [?]
An I heard rumors I ain't really arsed
Well I'm pissed up mate, an he's got a car

Five pound sixty get me by
Five pound sixty don't know why
Five pound sixty past midnight
He could've charged me twice the price
Five pound sixty
Five pound sixty
Five pound sixty
He could've charged me twice the price
