

Bambi

Sleaford Mods

This song's about drones and watercannons
1 -2-3-4!

What ya telling people you're old for?
Are you that bothered about it?
Ya in the pop star market
Oh yea I forgot

Ya big mates used to skate
Thrasher magazine
Oh yea I forgot
Oh yea I forgot

Commercial road ya never gettin' off it
You play gigs like Kurt Cobain
Oh yea I forgot
Oh yea I forgot
You play gigs like Kurt Cobain
Oh yea I forgot

Fuck off posey pants, rock toss
Ya in the pop star market
Sexy promoters, untouchable organisations
Oh yea I forgot
Oh yea I forgot
Oh yea I forgot
Oh yea I forgot

Sexy QE2 like quiz night at the I puke on you
Inge, minge twat quim quim quim
Die like raiser face like Elvin Stardust did
Black leather, black leather
Steve Jones eighties dint work out
But at least you did a tune with fuckin' Axl Rose
Minge twat, quiz night bang bang bang

Who killed Bambi man?
Who killed Bambi?
Who killed Bambi?
Who killed Bambi?
Oh yea I forgot
Oh yea I forgot
Oh yea I forgot
Oh yea I forgot
Oh yea I forgot
