

Force 10 From Navarone

Sleaford Mods

Faced with the smash of a wall indeed
And going on about it in the Morning to me
I'm losing in the head and I gone to far
Force ten from Navarone is a shot fired hard
Cos we never aimed it
In the box of isolation

Jason, why does the darkness elope?
Cross sectioned. It's not a drink and I don't fucking smoke
Jason, why does the darkness elope?
Cross sectioned. It's not a drink and I don't fucking smoke

Mummy can't reach and then a pause
You look different a large green blob
Allergic to your own things
Get married and go on safari
Fucking viral fucking batman video you fucking moron
Why don't you phone up spine bend legs sync scooter club
Shit smell that's my road kill hat, don't touch it

Jason, why does the darkness elope?
Cross sectioned. It's not a drink and I don't fucking smoke
Jason, why does the darkness elope?
Cross sectioned. It's not a drink and I don't fucking smoke

Instinct is all it's the meat to our bones
So hang on to the cable car force ten from Navarone
Freeze if you fall so keep ya gun up round ya neck
Force ten from a country, it still believes it's not dead... but it is...
Fuckin dead
Fuckin dead

Jason, why does the darkness elope?
Cross sectioned. It's not a drink and I don't fucking smoke

Jason, why does the darkness elope?
Cross sectioned. It's not a drink and I don't fucking smoke

Bet ya never thought it
Force ten from Navarone
Bet ya never used it
We only to seem to use what we are told we own
