

## Pit 2 Pit

Sleaford Mods

Pit to pit  
In inches  
Look at you  
Arrrgh!  
I look better than you  
Heads gone stew

Pit to pit  
In inches  
Look at you  
Arrrgh!  
I look better than you  
Heads gone stew

Lockdown and signs in barren landscapes  
Hot weather and fuck sakes  
Pit to pit  
Bars full of people getting pissed  
I push by  
Hit the shop for some eggs  
And I try to get over the argument in the house  
That I just had  
In the heat of June  
And fucking more lockdown  
Well, yeah, the beer looks good  
But I shouldn't  
The beer looks good  
And I wouldn't  
I've been a good boy for five long years  
And I'm not gonna mess that up  
I've been a good boy for five long years  
And I'm not gonna fuck that up

Pit to pit  
In inches  
Look at you  
Arrrgh!  
I look better than you  
Heads gone stew

Pit to pit  
25 inches  
24  
Inside 25.5  
Straight to your door  
Now, prison it ain't unrealistic  
It's right near me  
I could go, get nicked for oat  
Go prison  
Ah, fuck!  
Chance it on an hundred quid  
Might be too fuckin' big  
Get it altered, looks like a bathrobe  
Sweat it out, hide it in the wardrobe  
My partner thinks I'm being secretive  
And I am  
I'm so strange

So lockdown fucked up ways  
The behaviours of the unsaved  
So lockdown fucked up ways  
The behaviours of the unsaved  
So lockdown fucked up ways

'Cause I know how to wear it  
Better than you 'cause I mean it, I do  
Better than you 'cause I still fuckin' live it  
Better than you 'cause I mean it, I do
