Stick ya neck out

Make the parcel, big and white
Sniff the bastard, fuck your life
Sod it all, everything's shit anyway
I hate you and your girlfriend, you clueless cunt
Yea, I want everything to be lifestyle
Lifestyle, lifestyle, lifestyle
I wanna lifestyle
I wanna dinner on the table every day
I wanna have sex after cocktails on Saturday
I wanna joke and have confidence in bags
I wanna lifestyle
I wanna house!
Stick ya neck out
Lie like fuck
Who's the cunt?
It's all of 'em

Till dipper

Till dipper, get ya fingers out the till

Till dipper
