

# Needlessly Wild

Sleater-Kinney

I'm needlessly wild, needlessly wild, needlessly wild  
And I'm needlessly wild  
Threw out my fine threads  
Were cramping my style

I'm reckless, off course  
I'm back and I'm forth, unrefined  
Go on and leave me to the hounds tonight  
Go on and leave me to the hounds tonight

I'm aggressively fun  
Death of the party  
A lecture for one  
And I'm uselessly sullen  
I pushed up my bedtime  
I'll set with the sun

I'm reckless, off course  
I'm back and I'm forth, unrefined  
Go on and leave me to the hounds tonight  
Go on and leave me to the hounds tonight

I'm needlessly wild  
I'm punching out air  
I'm breaking my stride  
I'm all of out hate  
There's nowhere to climb  
Show me the exit, the infinite light

I'm heedless and wild  
I'm needless and wild  
I'm heedless and wild  
I'm needless and wild  
I'm needless and wild  
I'm heedless and wild  
I'm glitched and unwired  
I'm totally tired

I'm reckless, off course  
I'm back and I'm forth, out of time  
Go on and leave me to the hounds tonight  
Go on and leave me to the hounds tonight  
Go ahead and feed me to the hounds tonight  
Go ahead and feed me to the hounds tonight
