

Broad Day

SleazyWorld Go

We catch an opp out in broad day, we gon' do him in broad day
Shots get sent to his top, doc like, "What happened to dog face?"
We don't leave off that block 'til we see his body drop
We gon' confirm the kill, walk up, stand over him
We catch an opp out in broad day, we gon' do him in broad day
Shots get sent to his top, doc like, "What happened to dog face?"
We don't leave off that block 'til we see his body drop
We gon' confirm the kill, walk up, stand over him

We tryna catch us a body, we out lookin' for a homi' tonight
Heard the opps out posted right now, told the driver turn left at the
light
We gon' shoot 'til we knock off a limb, we gon' shoot 'til that bitch
in the rim
We gon' shoot like we makin' a film and film that pussy nigga gettin'
killed
Hop out gang, we don't do drive-
bys no more, we do the hits on the floor
Catch him out buyin' some 'Woods, leave him in front of the store
Blicks on us, sticks on us, fifty-
round drums lookin' like it's tits on us
Drop a nigga where he stand, tell the ambulance them come and pick hi
m up

We catch an opp out in broad day, we gon' do him in broad day
Shots get sent to his top, doc like, "What happened to dog face?"
We don't leave off that block 'til we see his body drop
We gon' confirm the kill, walk up, stand over him
We catch an opp out in broad day, we gon' do him in broad day
Shots get sent to his top, doc like, "What happened to dog face?"
We don't leave off that block 'til we see his body drop
We gon' confirm the kill, walk up, stand over him

Hop out, walk up on him
Lettin' off them rounds, he hit the ground, he knew it was over for h
im
They took his life and watched him die, they stood up over him
His mama was cryin' with him in her hands
Prayin' to God, screamin', "No, no," over and over again
The street shit be for real for real
Broad day, niggas gettin' killed
Youngins hungry for a body, prayin' for a body just to get his hunger
filled
Broad day, broad day in the field, this shit go down in broad day
Some niggas never get sleep 'til they get they lick back, slidin' all
day

We catch an opp out in broad day, we gon' do him in broad day
Shots get sent to his top, doc like, "What happened to dog face?"
We don't leave off that block 'til we see his body drop
We gon' confirm the kill, walk up, stand over him
