SleazyWorld Go

Girl take that make-up off  
I like when you natural  
And I love it when you wear your real hair you still bad too  
You ain't gotta go get your ass done 'cause it's fat too  
And to top it off you know I love all them tattoos

I like how you tatted baby  
And yo body still look good even though you had a baby  
Told me slut you out, girl you a savage baby  
You let me fuck back to back  
Yo baby daddy through for you know I ain't having that you mine now

I'm 'ma ice you up like me, you fuck with a boss now  
And yo mamma nem like me they say you gloss now  
I mean you glow baby  
We keeping our business off the net they don't gotta know baby

Different  
Different  
You something different  
You something different baby  
Let's be something different baby  
Different baby  
You different  
You different  
Lil baby you different  
Something different baby  
Let's be something different baby  
Different

An the way you grip that dick you do something different with it  
Kissing on yo body rubbing my fingers on yo clit you soaking wet  
Baby stick yo tongue out  
Taste yo self while I fuck you an make you cum now  
You needed that  
Look me in my eyes when you suck it show me you mean it  
I believe in God, when we fucking I turned into a demon

Different  
Different  
You something different  
You something different baby  
Let's be something different baby  
Different baby  
You different  
You different  
Lil baby you different  
Something different baby  
Let's be something different baby
