

Famous Now

SleazyWorld Go

Two eyes

I wanna write this shit, I wanna talk my shit (Uh)

I want your opp filthy, I want your opp filthy (H4rry, grrt)

I prayed everyday I made it out streets had control of me

He got hit in front of his daughter how he going go in peace

I dropped to my knees thank the Lord I'm the one made it out

Niggas be clout-

chasing gotta stay dangerous 'cause I'm famous now

If I could rewind go back in time I'd bring Leek back

I give all this shit up right now just to get my brother back

We gon' slide again and again until we catch one

Bitch you heard them steps you catch a opp make sure you wet on
e

Make sure you wet 'em

He got chased down with them switches that shit was bogus how t
hey left 'em

Heard they hopped out on feet

Heard he got chased all down the street

Niggas keep dissing in them raps 'til them killers they gotta m
eet stupid

Mamma say she worried I told my mamma just to pray for me

My bitch think I'm fucking when I'm gone but she going wait for
me

Grab the K for me she like my bonnie she going spray for me

I'mma prolly die slanging iron there ain't no other way for me

I hope one day my lil boys grow up an they be proud of me

Daddy made it ain't no more struggles ain't no more poverty

Ain't no more struggles, I done been through the rain and the s
torms

Still made it out the jungle

Still made it out them trenches with my same team

Remember rocking USPA like it was the same thing

I remember wearing some old Adidas first day of school feeling
fresh

I was skipping school like it was cool tryna come in and copy n
iggas test

I prayed everyday I made it out streets had control of me

He got hit in front of his daughter how he going go in peace

I dropped to my knees thank the Lord I'm the one made it out

Niggas be clout-

chasing gotta stay dangerous 'cause I'm famous now

If I could rewind go back in time I'd bring Leek back

I give all this shit up right now just to get my brother back

We going slide again and again until we catch one
Bitch you heard them steps you catch a opp make sure you wet on
e
