

Listen To Me

SleazyWorld Go

See, nowadays, you gotta just watch who you give your love too
It's like people out here be fake
It don't be genuine love for real
They just love what you do for 'em
And it's like they notice you, they notice you rare
Know you a good person
They just don't wanna see you with nobody else
This generation selfish
Ain't no love out here for real

Would you listen? Please listen to me
If I open up to you, give you my heart, would you leave?
Would you leave me?
Use me for all you can 'til you don't need me no more?
I been poppin' these Perkies, so I ain't sleepy no more
I ain't sleepy
Gotta watch my brothers, I hope one don't try to sneak me
Gotta watch my bitch, 'cause nowadays, these hoes sneaky
Fell out with people I love and close to me, man, this ain't how it's supposed to be

I done gave my heart to the wrong people, I don't know no more
I been doin' these Perkies back to back, I don't wanna throw no more
I don't wanna feel no more pain, fill my cup with codeine
Prayin' I get through the storm, I don't wanna feel no more rain
I don't wanna feel no more raindrops
Me and bro'nem slidin' for days, we tryna bang opps
Can't trust no bitch, I found out me and bro fuckin' the same thot
And these days, gotta watch who you share your time with
When you find somebody who for you, that shit timeless
When you find somebody who real, you need to hold 'em tight
Don't let 'em go, findin' 'em rare in this day and life
Don't let 'em go, that shit rare in this day and life
I been thinkin' about you, that don't even mean nothin'
'Cause I know that what we had'll never be nothin'
And I'm sorry for leadin' you on
I won't tell you this in person, so I'm tellin' you in this song

Would you listen? Please listen to me
If I open up to you, give you my heart, would you leave?
Would you leave me?
Use me for all you can 'til you don't need me no more?
I been poppin' these Perkies, so I ain't sleepy no more
I ain't sleepy
Gotta watch my brothers, I hope one don't try to sneak me
Gotta watch my bitch, 'cause nowadays, these hoes sneaky
Fell out with people I love and close to me, man, this ain't how it's supposed to be

This ain't how it's supposed to be
I said this ain't how it's supposed to be
This ain't how it's supposed to be
I still love you
I hope y'all love this tape, though
I'm seein' that they can relate, especially the feelings on this shit
Sleazy the EP
You know what I'm sayin'?
