Off The Internet

SleazyWorld Go

You gotta learn to keep motherfuckers out your business
(K Hendrix cold as a motherfucker)
You ain't always gotta go to the internet 'bout your problems

She don't post our business on the internet, we don't get into that
Every time I fuck, I pull her hair when I hit from the back
I pull her close to me, come here, uh-uh, ain't none of that
She like, "You deep inside me, ooh, bae, you killin' that"
I be fuckin' her like a dog, she give me treats like I'm a pet
Stuffed it in her jaw, the bitch an A-plus with the neck
Call that bitch Niagara Falls, her lil' pussy so damn wet
Our relationship so raw, so let's just keep it off the 'net, bae

Our relationship so raw, so let's just keep it off the 'net, bae
We don't want nobody involved, so we gon' keep it off the 'net
Our business off the internet, let's keep our business off the intern
et

We gon' keep it off the 'net, we ain't gon' talk 'bout what we do
When we get into our fights, keep that shit between me and you

They gon' judge you either way, they ain't gon' understand you
You know you my lil' boo baby, this shit that we been through, baby
I only fuck with you, baby, for real
Keep that shit off the internet, can't tell 'em how you feel
'Cause they'll use that against you when you over it in hell
