I can fuck any bitch I want because I'm pressure  
If she say I couldn't fuck, I ain't apply pressure  
Only reason I ain't put dick in her 'cause that bitch messy  
Glockies, you can't put titties in Smith & Wessons  
Glock-Glockies, switches go fft soon as you press 'em  
Opps ain't slidin' through here no more, they learned they less  
on  
He thought his bitch couldn't get back until I stretched her  
She ate the whole dick with no gag, I almost kept her

I almost put a ring on an eater  
Lil' baby head was so good, I told her that I need her  
Huh, she had a man, so I stored that bitch under "Cheater"  
Catch an opp out, watch how I work this chopper like a heater  
I'ma blow somethin', nigga, if it's static, let me know somethi  
n'  
You ain't bendin' no blocks out lookin' for opps tryna get on n  
othin'  
You ain't really no stepper, fight who? We ain't finna wrestle  
Nigga swing on me gon' lose his life 'cause I'ma stretch him  
I almost put cuffs on a rap bitch  
Said I was the only one she was fuckin', I got catfished  
Huh, she gon' let me fuck 'cause she like the way I be rappin'  
She like, "Sleazy, when you gon' stop playin' and let me tap in  
?"
