

Walk Down

SleazyWorld Go

Walk down
Walk down
Walk down

Walk down on a nigga with this blick and it come with a stick, fool
We don't shoot out no whips, I'ma hop out of this bitch and come get you (Come here)
Walk down, stalk him, yellow tape, outline and chalk him up
I'ma make you stand on everything you said 'bout me, nigga, chalk it up
Low-key, dolo ridin', lookin' for opps, but them niggas hide from me
Smoke straight out the pound, I don't think no nigga get as high as me
And I stay with a blick, that bitch go grrt, duck and run, stupid
Stuff fifty on my hip, walkin' with a dick, that bitch got a drum to it
Opps just lost another nigga, that shit gotta be devastating
We don't give a fuck about that nigga, throw a party, we gon' celebrate it
Roll him up in a 'Wood, smoke him
Don't think 'cause we smokin' him, we the ones smoked him
We ain't the ones that smoked that nigga
But we still roll up and smoke that nigga

I walked him down, walked him down, chased him
Shots from the drum, he tried to run, but he couldn't escape 'em
I picked him off, sent him up (Grrt)
Left his ass right where he stood, now tell his mans 'nem come pick him up (Woo)
Walk down (Walk him), walk down (Walk him)
Walk down (Walk that nigga down), walk down
Walk down (Come here), walk down
Walk down, walk down

Finna bend me a nigga block
Me and 2 Eyes and two Glockes
Fifty stuffed up in both ours
We tryna walk down us a hundred opps
If we see the cops, so what?
Bump heads, it's gon' go up
Hit a nigga in the stomach with this bitch
And made him throw up
We done slid on some opp hoes
So you know we had to bring our poles
Gettin' head from this opp bitch
Blick in my hand while she take my soul
Pants to the knees, I don't take off clothes
Pull 'em up, now it's time to go
Clip long like a movie
When I start shooting, it's gon' be a show
Lately, I been like fuck a nigga (Fuck a nigga)
And fuck a bitch too
Caught him out on a date with his bae
Walked down on that bitch too (Come here, lil' bitch)
Bodies, we not trampolines, but we catch bodies (Uh-uh)
Walk through a nigga shit, tryna stretch somethin' like it's pilates (Walk down)

I walked him down, walked him down, chased him
Shots from the drum, he tried to run, but he couldn't escape 'em
I picked him off, sent him up

Left his ass right where he stood, now tell his mans 'nem come pick him up (
Woo)
Walk down, walk down
Walk down (Mmm), walk down (Mmm)
Walk down (Mmm), walk down (Mmm)
Walk down (Mmm), walk down

We tryna walk somethin' down
Walk down
We don't drive-by no more, we walk straight down on 'em
Fuck is you talkin' 'bout?
Fuck a nigga
Fuck a bitch too
Walk down
Walk down
Grrt
