

# Take Me Back

Sleep On It

Say what you will and take what you can  
My broken hands will never give back again  
The more that I see the less I believe  
Blindfolded innocence taken away from me

With promises I couldn't keep

Take me back  
To pride and disaster  
Sunshine and laughter  
Where I got off track  
Take me back  
Find the peace that I'm after  
Just show me the answer  
Tell me what I lack  
Take me back

There to see the best of me  
Stripped from the bone  
Remember all the things  
You said on the phone  
I never cared, I wasn't there  
I left you alone  
I tried my best, I failed the test  
You threw the first stone

Take me back  
To pride and disaster  
Sunshine and laughter  
Where I got off track  
Take me back  
Find the peace that I'm after  
Just show me the answer  
Tell me what I lack  
Take me back  
Take me back

I'm seeing myself in the things that I'm tearing apart  
I'm boarding up all the walls left in my heart

Take me back  
To pride and disaster  
Sunshine and laughter  
Where I got off track  
Take me back  
Find the peace that I'm after  
Just show me the answer  
Tell me what I lack  
Take me back  
Take me back
