## Sleep Token

When we were made  
It was no accident  
We were tangled up like branches in a flood  
I come as a blade  
A sacred guardian  
So you keep me sharp and test my worth in blood

You got me in a chokehold  
You got me in a chokehold  
You've got me in a...

Beneath the stormy seas  
Above the mountain peaks  
It's all the same to me  
It makes no difference  
I've seen my days unfold  
Done the impossible  
I'll turn my walls to gold to bring you home again

So show me that which I cannot see  
Even if it hurts me  
Even if I can't sleep  
Oh, and though we act out of our holy duty to be constantly awake

But you've got me in a chokehold  
You've got me in a chokehold  
You've got me in a chokehold  
You've got me in a chokehold

Even if it hurts me  
Even if I can't sleep  
Show me the way, yeah
