Distraction

Sleep Token

Oh, and I know
I can tell I'm falling further again
But I won't turn away, it's far too late for me

Cause I am broken into fractions
Oh and I am driven to distraction

And I swear she is not like any other, no
Something much more than I could ask for
(It's too late for me)

Cause I am broken into fractions
Oh and I am driven to distraction
With each and every interaction
(It's too late for me, it's too late for me)
(It's too late for me, it's too late for me)
I am driven to distraction
(It's too late for me, it's too late for me)
(It's too late for me, it's too late)

It's too late for me, it's too late for me
It's too late for me, it's too late for me
It's too late for me, it's too late for me
It's too late for me, it's too late
