

# Rain

## Sleep Token

For so long, I have waited  
So long that I almost became  
Just a stoic statue, fit for nobody  
And I don't wanna get in your way  
But I finally think I can say  
That the vicious cycle was over  
The moment you smiled at me

And just like the rain  
You cast the dust into nothing  
And wash out the salt from my hands  
So touch me again  
I feel my shadow dissolving  
Will you cleanse me with pleasure?

It's that chemical cut that I can get down with  
Up like the moon and out like the hounds  
A dangerous disposition somehow refracted in light, reflected in sound  
I'm coiled up like the venomous serpent, tangled in your trance and I'm certain  
You have got your hooks in me

I know, I know, the way that it goes  
You get what you give, you reap what you sow  
And I can see you in my fate  
I know, I know, I am what I am  
The mouth of the wolf, the eyes of the lamb  
So darling, will you saturate?

And just like the rain  
You cast the dust into nothing  
And wash out the salt from my hands  
So touch me again  
I feel my shadow dissolving  
Will you cleanse me with pleasure?

Nobody can say for certain  
If maybe it's all just a game  
When I open my eyes to the future  
I can hear you say my name

So rain down on me, oh oh-oh-oh  
Rain down on me, oh oh oh  
Rain down on me, oh oh-oh-oh  
Rain down on me  
Rain down on me, yeah  
Rain down on me, oh oh-oh-oh  
Rain down on me, oh oh oh  
Rain down on me, oh oh-oh-oh  
Rain down on me  
Rain down on me, yeah  
Rain down on me
