

When The Bough Breaks

Sleep Token

You could stay alive
Just tell me that you notice
Even in the dark
The way I left you breathing

Sometimes when we touch
Everything we love resets
It's only just enough
Even when we run with death

We could be relaxed
Flowing over sorrow days
We could stay suspended
Even when the bough breaks

Sometimes when we touch
Everything we love resets
It's only just enough
Even when we run with death

[illegible]

Everything we touch turns
Water into blood you
Try to look away from
Even when the bough breaks
You don't really love, you just hate to be alone

[illegible]

Everything we touch turns
Water into blood you
Try to look away from
Even when the bough breaks
You don't really love, you just hate to be alone

(Don't lie to me
Don't lie to me
Don't lie to me
Don't lie to me
Don't lie to me
Don't lie to me
Don't lie to me

Don't lie to me)

Everything we touch turns
Water into blood you
Try to look away from
Even when the bough breaks
You don't really love, you just hate to be alone

Everything we touch turns
Water into blood you
Try to look away from
Even when the bough breaks
You don't really love, you just hate to be alone

(Don't lie to me
Don't lie to me
Don't lie to me)
