

Hot Lava Man

Sleep

Molten prince of earth
People run from fiery birth
Master from below
Approaching with atomic glow
Safety now destroyed
Pulled into glowing void
Bodies filling graves
Golem strikes with molten rays

Molten prince of earth

Pulled into the glowing void
Bodies filling graves
Golem strikes with molten rays

Volcanic titan born
Fire in human form
Smoke clouds fill the air
Trumpet begins to blare
Deafened by the sound
Village crumbles to ground
Lava Man retreats
Back to mountain of heat
