

## Marijuanaut's Theme

Sleep

Saturn V rise - as gravity dies - through ionosphere he flies  
Capsule is flown - beyond the known - admixture sustains smokes  
uit as home

Traverse galactic sea - inhaler of the rifftree

Initiate burn - never to return - a distant earth fades receding

Through the hashteroid fields - a transmission yields - now riff  
f beacon signal is received

Trajectory set a new bearing - cross alien skies command module  
flies

Sojourns the lone stoned soul - Marijuanaut loads of a new bowl  
Behold as he enters the clearing - planet Iommia nearing

Through Iommosphere chutes deploy capsule splash down on the TH  
sea

To raft - row the hash oil leagues to shoreline
