

# Heavy Love

Sleeper Agent

I said I, I'll never let you down  
I said I, I'll try on this crown

Babe won't leave me  
Till she said I'm gone  
She's crazy  
Said my ego big and grown

Heavy, heavy love  
I'm gonna get you out  
Not with a push, shove, shove  
No, I couldn't get you out

Babe gonna teach me  
Everything she knows  
She fakin' when she  
Moanin' out them "Oh's"

Heavy, heavy love  
I'm gonna get you out  
Not with a push, shove, shove  
No, I couldn't get you out

Babe gonna teach me  
Everything she knows  
She fakin' when she  
Moanin' out them "Oh's"

Heavy, heavy love  
I'm gonna get you out  
Not with a push, shove, shove  
No, I couldn't get you out

I said no, couldn't get you out  
No, no, no, no, couldn't get you out

I said I, I'll never let you down  
I said I, I'll try on this crown
