

## Hind Legs

Sleeper Agent

Throw them bones is a game we play  
Shotgun, a hound, the ace of spaces  
I'm going to do just as you please  
But this ain't mine, show you my teeth  
Listen I'll show you my teeth  
I've been pretty lonely and I'm not fond of the tears

Hey you how you gon' make me beg  
How you gon' make me beg  
Standing on my my my  
Now matter how you, how you gon' make me beg  
How you gon' make me beg  
Standing on my hind legs

I've got a hound, got a tattoo'd tail  
Got another number, got a spell to sell  
I'm going to do just as you please  
But this ain't mine, show you my teeth  
I've been feeling lonely and I'm not fond of the tears

Hey you how you gon' make me beg  
How you gon' make me beg  
Standing on my my my  
Now matter how you, how you gon' make me beg  
How you gon' make me beg  
Standing on my hind legs

Hey you how you gon' make me beg  
How you gon' make me beg  
Standing on my my my  
Now matter how you, how you gon' make me beg  
How you gon' make me beg  
Standing on my hind legs
