

# Always the One

Sleeperstar

Impossible  
I could never replace you  
I could never replace you  
Impossible  
I could never replace you  
I could never replace you

Permeate my soul  
If you go I do not know  
How I could live without you, live without you  
Live without the only one who knows me  
You were always the

One who was a fighter  
Tear it down to build it higher  
Greatest freedom, my desire  
Unafraid to face the fire, to be loved  
You were always the one

And you tear me to the core  
But I won't leave your side

You're going home, you're going home

Permeate my soul  
If you go I do not know  
How I could live without you, live without you  
Live without the only one who knows me  
You were always the

One who was a fighter  
Tear it down to build it higher  
Greatest freedom, my desire  
Unafraid to face the fire, to be loved  
You were always the one

I can't sleep, I can't breathe  
Without you here I'm just a shadow of a man  
And I don't know what I'd do without you, yeah!

Permeate my soul  
If you go I do not know  
How I could live without you, live without you  
Live without the only one who knows me  
You were always the

One who was a fighter  
Tear it down to build it higher  
Greatest freedom, my desire  
Unafraid to face the fire, to be loved  
You were always the one
