

Can't Escape Your Eyes

Sleeperstar

Oh no not that again
I fell into this hole
The spell you cast on me
I wait forever for your call

Broken hands
But I couldn't break the wall
I don't know why
But I can't escape your eyes

No, I can't escape your eyes
Oh, I can't escape your eyes
No, I can't escape your eyes
No matter how hard I try
No matter how far I climb

I tried to get away
But I always come back down
They say that love ain't lose
Someday you will be found

Broken hands
But I couldn't break the wall
I don't know why
But I can't escape your eyes

No, I can't escape your eyes
Oh, I can't escape your eyes
No, I can't escape your eyes
No matter how hard I

There's nothing left to try
This love has made us blind
Let's save ourselves tonight
Still I can't escape your eyes
Oh

Oh oh oh oh
Oh oh oh oh

But I can't escape your eyes
No, I can't escape your eyes
Oh, I can't escape your eyes
No, I can't escape your eyes
Yeah, yeah

There's nothing left to try
This love has made me blind
I'll save myself tonight
Still I can't escape your eyes
