Fool

Sleeperstar

Never did I have the words
To tell you how I loved you
You're the way, you're the way
You're the way I want to pull

Left you on that day, didn't care
You were crying
I was lost, I was lost
I was never coming home

I am a fool
I let you go and left you on your own
I am a fool
I let you go and now I'm all alone
I am a fool, a fool, a fool

Distance had a crazy way
Of showing me how wrong I was
I should've known, I should've known
I should've turned it all around

For years I didn't care
Did it all just for myself
I let you down, I let you down
I lost everything I had

I am a fool
I let you go and left you on your own
I am a fool
I let you go and now I'm all alone
I am a fool, a fool, a fool

I'm a fool to have left you behind
I will find my way back

I am a fool
I let you go and left you on your own
I am a fool
I let you go and now I'm all alone
I am a fool, yeah I was a fool, I was a fool
Yeah I was a fool
