

The Day I Quit My Job

Sleeperstar

Tuesday morning and there's not enough
To keep me going in this coffee cup
I traded all my T-shirts for a suit and tie
I see a stranger in the mirror and he wonders "why?"
But now I'm sayin, "Goodbye"

I'm alive
Trying to find
What I have been waiting for
It's you, and I
Tell you tonight
What I could not say before
"Take me somewhere brighter"
So it's you, and I
Tell you tonight
What have I been waiting for?

Taking all my records and a gramophone (oh no)
I know I'm gonna make it if I'm not alone
I'll meet you in the morning in a Gypsy cab
Try to do better than we've ever had before
So now I'm sayin, "Goodbye"

I'm alive
Trying to find
What I have been waiting for
It's you, and I
Tell you tonight
What I could not say before
"Take me somewhere brighter"
So it's you, and I
Tell you tonight
What have I been waiting for?

If ever, if ever, if ever you should go
I want, I want, I want you to know
If ever, if ever, if ever you should go
I think that you should know

I'm alive
Trying to find
What I have been waiting for
It's you, and I
Tell you tonight
What I could not say before
"Take me somewhere brighter"
"Take me somewhere greener"
So it's you, and I
Tell you tonight
What have I been waiting for?
