

Dark Horse

Sleeping at Last

I knew you were
You were gonna come to me
And here you are
You better choose carefully
'Cause I'm capable of anything
Of anything and everything

Make me your Aphrodite
Make me your one and only
But don't make me your enemy
Your enemy, your enemy

So you wanna play with magic
Girl, you should know what you're falling for
Baby, do you dare to do this?
Cause I'm coming at you like a dark horse
Are you ready for, ready for
A perfect storm, perfect storm
Cause once you're mine, once you're mine
There's no going back

Mark my words
This love will make you levitate
Like a bird
Like a bird without a cage
Down to earth
If you choose to walk away
Don't walk away

It's in the palm of your hand now, baby
It's a yes or no, no maybe
So just be sure before you give it up to me
Up to me, give it up to me

So you wanna play with magic
Girl, you should know what you're falling for
Baby, do you dare to do this?
Cause I'm coming at you like a dark horse
Are you ready for, ready for
A perfect storm, perfect storm
Cause once you're mine, once you're mine
There's no going back

So you wanna play with magic
Girl, you should know what you're falling for
Baby, do you dare to do this?
Cause I'm coming at you like a dark horse
Are you ready for, ready for
A perfect storm, perfect storm
Cause once you're mine, once you're mine
There's no going back
There's no going back
There's no going back
There's no going back
There's no going back
