

Daughter

Sleeping at Last

If only you knew
The sunlight shines a little brighter,
The weight of the world's a little lighter,
The stars lean in a little closer
All because of you.

I want to see
You lift your chin a little higher,
Open your eyes a little wider,
Speak your mind a little louder,
'cause you are royalty.

This is your kingdom,
This is your crown,
This is your story.
This is your moment,
Don't look down..

You're ready, born ready.
And all you gotta do
Is put one foot in front of you.
Our ceiling is your floor,
And all you gotta do
Is put one foot in front of you,
If only you knew.

If only you knew
The forests grew a little greener,
The roots reach in little deeper,
The birds all sing a little sweeter,
All to welcome you.

I want to see
Your happily ever after,
That you know in your heart that you matter,
That you are royalty.

This is your kingdom,
This is your crown,
This is your story.
This is your moment,
Don't look down.

You're ready. born ready,
And all you gotta do
Is put one foot in front of you.
Our ceiling is your floor,
And all you gotta do
Is put one foot in front of you.

You're ready. born ready,
And all you gotta do
Is put one foot in front of you.
Our ceiling is your floor,
And all you gotta do
Is put one foot in front of you.
If only you knew

This is your kingdom,
This is your crown,
This is your story.
This is your moment,
Don't look down.
