

# Hope

## Sleeping at Last

There is hope in our eyes  
When we truly see each other  
Like the light of countless stars  
We are not afraid of the dark  
'Cause there is hope in our hearts  
And every single beat, we feel it  
To the ends of the earth  
Our echo carries on

We are sacred, we are strong  
We are beautiful, we belong  
Please hear our unheard song

There is hope in our voice  
When we listen to each other  
Barriers disappeared  
With every story told

We are sacred, we are strong  
We are beautiful, we belong  
Please hear our unheard song

There is hope in our eyes  
When we truly see each other  
We raise our flag, lift our voice

This is our moment  
We are sacred, we are strong  
This is our moment  
We are beautiful, we belong  
This is our moment  
We are worthy, we are true  
This is our moment  
There are no borders from this view  
Please help us raise our flag

There is hope in our eyes  
When we truly see each other
