

Chase

Sleeping with Sirens

The younger me would give anything to be right where we are
A future right in front of us, our head up in the stars
Might've had some moments when this all seemed crazy
Caught up in the life but it never changed me
No, I won't throw it away

I ain't in it for the chase
Not living for the thrill of the moment
Knowing that my head's too strong and my heart's too stubborn to
quit (quit)
Not in it for the chase, not living for any other reason than knowing I could never walk away
I ain't in it for the chase

Life can be a roller coaster, riding highs and lows
They can try to tell me I won't make it, but what the hell do they know?
I do it 'cause I love it, I was born for this
I know this is the reason why I exist
So no, I won't let go

I ain't in it for the chase
Not living for the thrill of the moment
Knowing that my head's too strong and my heart's too stubborn to
quit (quit)
Not in it for the chase, not living for any other reason than knowing I could never walk away
I ain't in it for the chase

The hardest part of growing up?
You can't give up what you believe
Keep pressing on, follow your heart
Be anything you wanna be

I ain't in it for the chase
I ain't in it for the thrill of the moment
Knowing that my head's too strong and my heart's too stubborn to
quit (quit)
I ain't in it for the chase, not living for any other reason than knowing I could never walk, never walk away
I ain't in it for the chase
I ain't in it for the chase
