## Sleeping with Sirens

And I feel  
I feel so alive again  
Yeah, oh I feel oh  
I feel so alive again yeah oh

I used to be a ghost  
Floating aimlessly  
So they couldn't see  
What I think hurts the most  
I felt like it made me, hate me  
But I won't apologize for being different  
I can be who I am, and yeah  
I felt so dead inside  
But now I feel so alive, for the first time

And I feel  
I feel so alive again  
Yeah, oh and I feel  
I feel so alive again yeah

Is there somewhere I could go?  
Oh, I'd go there  
Take me anywhere  
'Cause this person I don't know  
The one that's staring back at me  
It's not who I wanna be  
But I won't apologize  
For being different  
I can, can be who I am  
While they cover up the dead inside  
I feel so alive, for the first time

And I feel  
I feel so alive again  
Yeah, oh I feel  
I feel so alive again yeah

Could you help me find  
Help me find a way?  
Could you help me find  
Help me find a way

Could you help me find  
Help me find a way?  
Could you help me find a  
Help me find a way

And I feel  
I feel so alive again  
Yeah oh and I feel  
I feel so alive again yeah

You'll never bring me down  
You'll never tear me apart  
I am alive yeah  
I am alive again

You'll never bring me down  
You'll never tear me apart  
I am alive yeah  
I am alive again, whoa oh yeah, and I feel, whoa whoa oh yeah
