

Grave

Sleeping with Sirens

I'm not who I'm supposed to be
I bring out the worst in me
I see my reflection
It's always in the wrong direction
And now I'm back to where I started
Being the bullet and a target
Separate the man from the artist
If I'm being honest...

I'm either half awake or half asleep
I'm half the man I used to be
I don't much but I'm tryin'
To find a way to live when it feels like I'm dyin'

I'm in the dark - I'm falling apart
It shouldn't have to be so hard
Why do I carry all this weight when I don't need it?
Keep me away - I'm trying to change
'Cause I've got one foot in the grave
And if I slip, I can't be saved from all my demons
One foot in the grave

Why do I always run away from the things I love?
I'm tryin to learn how to fix it
Guess I was raised with it in my blood
Afraid of commitment

I'm either half awake or half asleep or half the man I used to be
I don't know much but I'm tryin' to find a way to live

I'm in the dark - I'm falling apart
It shouldn't have to be so hard
Why do I carry all this weight when I don't need it?
Keep me away - I'm trying to change
'Cause I've got one foot in the grave
And if I slip, I can't be saved from all my demons
One foot in the grave, grave, grave
(Grave, grave, grave)
One foot in the grave
(Grave, grave, grave)

And now I'm back where I started
Being the bullet and a target
Separate the man from the artist
If I'm being honest...

I'm in the dark - I'm falling apart
It shouldn't have to be so hard
Why do I carry all this weight when I don't need it? (when I don't need it)
Keep me away - I'm trying to change
'Cause I've got one foot in the grave
And if I slip, I can't be saved from all my demons
One foot in the grave, grave, grave
(Grave, grave, grave)
One foot in the grave
(Grave, grave, grave)
One foot in the grave
