

## Mr. Nice Guy

## Sleeping with Sirens

What do you know about sacrifice  
All you do is take  
So I'm not playing nice  
No more, no more  
I've been used and abused  
And we've been getting used to  
All your excuses  
They're not gonna work anymore  
No more

We don't ask for much  
All you gave us was a little  
Promised the world  
All we wanted was a little bit more  
Is that too much to ask for?  
Been running around in circles  
For too long  
Playing your game  
But We're not gonna play anymore  
So how's this sound?  
No more Mr. Nice Guy now

Fool me once  
And I can deal with it  
Fool me twice  
And then I'm over it  
You can't say that we're friends  
You burned the candle down from both ends

I've been used  
I refuse  
And your sorry excuses  
They're not gonna work anymore  
No more

We don't ask for much  
All you gave us was a little  
Promised the world  
All we wanted was a little bit more  
Is that too much to ask for?  
Been running around in circles  
For too long  
Playing your game  
But We're not gonna play anymore  
So how's this sound?  
No more Mr. Nice Guy now  
No more Mr. Nice Guy now

I've been used  
I refuse  
I won't be your puppet anymore

No more playing nice  
No more playing

We don't ask for much all you gave us was a little  
We gave you the world

But you always want a little bit more  
More, more, more, more, more  
Running around in these circles for too long  
Playing the game  
That I don't wanna play anymore  
So how's this sound  
No more Mr. Nice Guy now  
No more playing nice (No more playing nice)  
No more playing nice
