

The Chase

Sleeping with Sirens

The younger me would give anything to be right where we are
A future right in front of us, our head up in the stars
Might of had some moments when this all seemed crazy
Caught up in the life but it never changed me
No, I won't throw it away

I ain't in it for the chase (chase)
Not living for the thrill of the moment
Knowing that my head's too strong
and my heart's too stubborn to quit (quit)
Not in it for the chase (chase)
not living for any other reason
then knowing I could never walk away
I ain't in it for the chase

Life can be a roller coaster, riding highs and lows
They can try to tell me I won't make it, but what the hell do t
hey know?
I do it 'cause I love it, I was born for this
I know this is the reason why I exist
So no, I won't let go

I ain't in it for the chase (chase)
Not living for the thrill of the moment
Knowing that my head's too strong
and my heart's too stubborn to quit (quit)
Not in it for the chase (chase)
not living for any other reason
then knowing I could never walk away
I ain't in it for the chase

The hardest part of growing up
You can't give up what you believe
Keep pressing on, follow your heart
Be anything you wanna be

I ain't in it for the chase
I ain't in it for the thrill of the moment
Knowing that my head's too strong
and my heart's too stubborn to quit (quit)
I ain't in it for the chase (chase)
not living for any other reason
then knowing I could never walk, never walk away
I ain't in it for the chase (chase)
I ain't in it for the chase
