

# Sunday Morning

Sleepy Brown

Well...

I know I keep on  
Talking 'bout your love  
When I'm with you  
Everything's beautiful  
It's all about you  
Whatever you wanna do  
I'm so happy  
I'm with you  
Don't see any problems with you  
Those things that we could do  
Girl you know  
I love you

You make it oooh (oooh)  
Feel so good  
Make me wanna get up early on a sunday morning  
All your love

Oooh  
Come on baby  
Bring it here girl  
I'ma do you round the pool  
Are you ready  
For this love I'ma put on you, I'ma put on you  
(Oooh) I'ma hit it I'ma hit it some more  
till the cops come back and gone hit the door  
girl you know, I'm yours

Oooh, oooh  
That feels so good baby, uh  
Oooh oooh  
You so good you make me wanna testify girl  
Oooh oooh (Yeah)  
It's a Sunday morning here I come baby  
Oooh oooh  
You wonder why I stare at you all the time baby?  
Oooh oooh  
Cuz God has really blessed me to be with you  
Oooh oooh  
So I promise, to love you, to cherish you, to give you the world baby

Oooh oooh  
Sunday morning, all your love  
Oooh oooh  
Sunday morning...
