

# ANXIETY

Sleepy Hallow

Anxiety  
Keep on trying me  
Feel it quietly  
Tryna silence me, yeah  
Anxiety  
Shake it off of me  
Somebody's watching me  
It's my anxiety

Look  
Shit got me trippin'  
Fightin' with my demons and my demons is winnin'  
I feel like don't nobody ever feel how I feel  
And I ain't never sober, baby girl, I get high still  
She said, "Boy, don't sip lean and pop pills"  
It's 50 degrees and I can tell that you hot still  
But I don't know what you on  
Feels so right to do wrong  
Can't buy love, it don't come with' a coupon  
And they'll never catch it, like a nigga with no arms, uh

Baby I'm trippin', my feelings been fryin' me, uh  
I blame it all on anxiety  
I had two chops with the sticks like I'm Chinese  
Gotta keep it, I know how this life be  
They showing real love? That's unlikely  
Fuck you, I ain't ask you to like me  
Watch for that snake, he might bite me, uh  
Watch out for anybody moving spicy  
Do what you do but just do it precisely, uh  
They gotta talk to you nicely  
Check on your head but it's nothin' like Nike  
I just hope you ain't takin' it lightly

Anxiety  
Keep on trying me  
Feel it quietly  
Tryna silence me, yeah  
Anxiety  
Shake it off of me  
Somebody's watching me  
It's my anxiety

Feel like I'm stuck in a maze  
I just try not to feel too amazed  
Stand where I live till I lay in a grave  
Sleepin' on me, been up for some days  
Like how you gon' shit where you lay, uh  
You keep the fame, I just wanna get paid  
Jacques Cousteau with' da wave, uh  
Free all my niggas, the Harriet way  
Like sometimes I feel like a slave to my feelings  
I can't really even tell you how I'm feelin'  
Bugged out, they gon' say I'm trippin' when I'm chillin'  
Wonder who gon' hold it down until it's finished

This for the record, no Guinness, uh

You must be drunk if you think I won't drill 'em  
Praying but they know you sinnin', uh  
You gotta lose a lot before the winnin'  
And most of the time I be stuck in my mind  
Made mistakes, ain't no way to rewind  
But fuck it, we get over shit over time  
It's all love till you get outta line like  
You knew one day you would shine, uh  
You knew one day you would read through the lines  
If they fuckin' with' you is fine, uh  
You just make sure you get back like a spine, uh

Anxiety  
Keep on trying me  
Feel it quietly  
Tryna silence me, yeah  
Anxiety  
Shake it off of me  
Somebody's watching me  
It's my anxiety

Somebody's watching me  
It's my anxiety
